- We only require a few hairs for testing – 3 to 4 strands, if hair is longer than an inch
 - We test any body hair
 - Ideally, we prefer samples to include the hair root, however we understand it can be painful for many people. If cutting the hair, please ensure you cut as close to the root as possible
 - Hair dye does not affect testing
 - Once hair sample collected, please place strands into a small sealable bag ensuring the hair remains dry and secure during transit
 - Place hair sample (with additional items for testing) in a secure envelope or postage wallet and post to the following address: **The Allergy Testing Group, 10685-B Hazelhurst Dr. #19057, Houston, TX 77043**
