ABOUT YOUR INTOLERANCE TEST – PLEASE READ CAREFULLY

- We only require a few hairs for testing – 3 to 4 strands, if hair is longer than an inch
- We test any body hair
- Ideally, we prefer samples to include the hair root, however we understand it can be painful for many people.
- If cutting the hair, please ensure you cut as close to the root as possible
- Hair dye does not affect testing
- Once hair sample collected, please place strands into a small sealable bag ensuring the hair remains dry and secure during transit
- Place hair samples in a secure envelope or postage wallet and post to the following address:
The Allergy Testing Group, 10685-B Hazelhurst Dr. #19057, Houston, TX 77043, United States
- We aim to return all test results within 7 - 10 working days (from date of receipt)

NOTES

Please ensure correct postage is paid. Incorrect postage can cause major delays to the processing time.

Additionally, Test My Allergy are not liable to pay these fees – your package may be returned.

Please ensure hair samples are sealed and clearly labeled.

Do not send hair samples in metal foil or other metallic packaging.

Please be careful not to include other items in the same bag as your hair sample as this can affect testing.

Unless arranged previously, we DO NOT post items in the mail. We simply require your hair sample and items for testing. Please ensure you have completed all details correctly.
